

**Divine Word College
Electronic Funds Transfer (EFT) Option**

Divine Word College is pleased to offer our benefactors a simplified method of supporting our mission. Electronic Funds Transfer (EFT) is an alternate method for processing contributions. Millions of these types of transactions take place daily throughout the world.

Electronic Funds Transfer is a secure, cost-effective, paperless method of banking that allows you to make contributions without the cost of checks and postage. For example, if you are a monthly donor, you will have your regular contribution deducted on the 15th day of each month. You simply record it in your check register on the appropriate date.

You have the option of having funds transferred from either your checking or savings account. EFT is less risky than check or cash contributions. They can't be lost, stolen or destroyed in the mail and are extremely accurate. Best of all, there is no additional cost to you.

To participate in Electronic Funds Transfer, simply print and complete the form below, attach a voided check if you choose to have your withdrawal from your checking account and return it.

All in all, giving by Electronic Funds Transfer is an easy and efficient method for supporting Divine Word College. We welcome your consideration of such gifts. Please complete the EFT authorization form to get started.

If you are interested in the Electronic Funds Transfer program but have further questions, please feel free to contact Mark Singsank, Associate Development Director, at 563-876-0097 or singsank@dwci.edu
